Dear Utica Parents,

We are already beginning to make plans for the 2021– 2022school year. I will be working diligently with the faculty members to build learning teams for each of our classrooms for the next school year. We will consider learning styles, the ratio of boys and girls, student ability, and current curricular initiatives. The process will be quite involved when considering all of these factors for 500+ students. We must also consider changes in teaching staff and grade level assignments. Due to the enormity of this task, we will be following past practice and we **will not honor** requests for specific teachers. We have a wonderful teaching staff at Utica Elementary School. They are highly motivated and are master teachers.

We value our parents as partners, and if there is anything you would like to share with us concerning your child's specific learning needs, we would take your concerns into consideration. Please submit these concerns, **IN WRITING**, to me prior to **Friday, May 7th**. Letters should be sent to school in a sealed envelope addressed to Mrs. Gilland. (Letters will be given priority over email requests.) Any letter submitted after the May 7 deadline will not be accepted. Thank you for your patience and understanding.

Mrs. Gilland
