Kits will be placed in student's classroom at the beginning of the school year.

# ATTENTION!

## End of year info.

Due to the ongoing pandemic, we are continuing our Covid protocols and **NOT** allowing visitors in our building. This has caused us to alter some of our traditional end of the year events.

Awards will be given through the classroom. They will be handed out the last week of school. Any questions regarding awards needs to be directed to your student's teacher.

Field day is still happening, one grade each day. Teachers will send home more information beforehand.

5th grade graduation will be a virtual event. More information will be available on this soon.

\*Awards and Field Day are not spectator events this year. We apologize for the inconvenience and thank you for your ongoing understanding during these times.

A Big  
**THANK  
YOU!**

Our staff sends it's sincerest thank you to our Utica families. You have helped your students stay well and this has helped your student, other students and our staff to be able to attend our school each day. It is because of your efforts, we were able to be the first school district to go back to in person school in 2020 and we've kept our doors open all year. Not many schools around can say that!

Yearbooks will be distributed the last week of school. There will be a LIMITED number of extras available for purchase in the office. They're full color and \$20. Cash and checks are accepted, quantities are limited.

All medicine must be picked up by Thursday, May 27th. All medicine not picked up will be discarded, per corporation policy. Letters from our nurse will be going home soon.

Arrangements must be made for picking up. No medicine will be sent home with students.
