Uplifting Educational Standards!

NOVEMBER 8TH, 2021

A HUGE thank you to the following corporations for their GENEROUS donations of masks to Utica Elementary!

We were running low and this donation is so appreciated. We go through at least 20 masks a day between students forgetting them and ones that get damaged/dirty throughout the day. Twenty masks a day adds up to about one hundred a week! Please remember to send your student with a mask and a spare mask each day. We would also like to give a BIG shout-out to the Hillman family for coordinating the donations. We are so grateful to be a part of such a generous community.

Our Annual Fundraiser has been extended, so there's still time to donate!

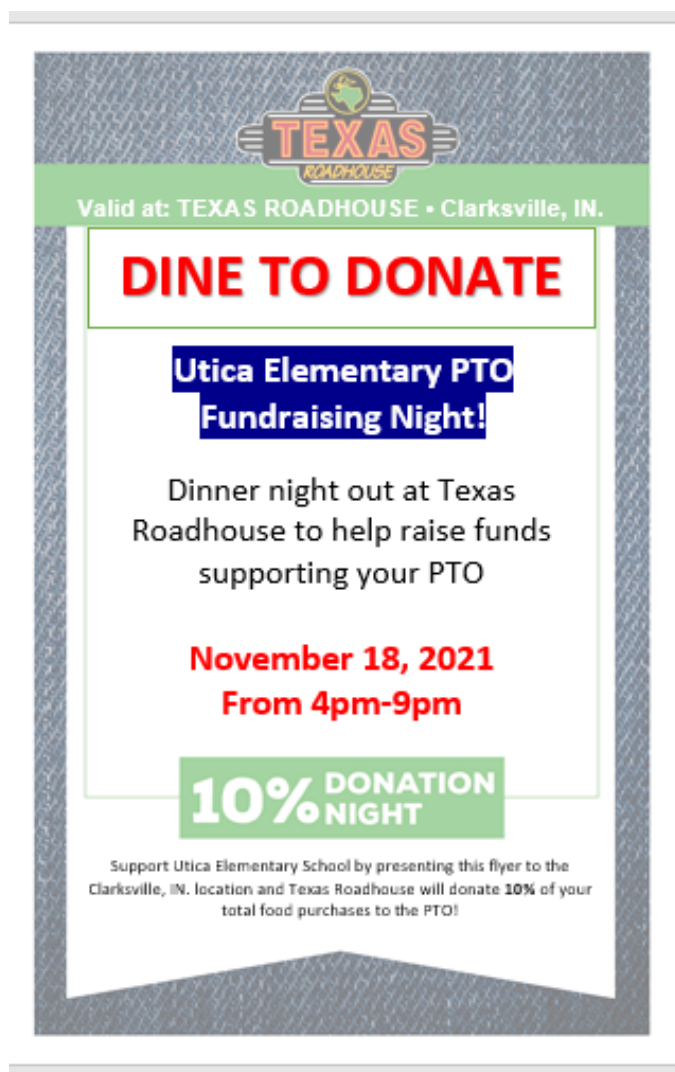

It's a donation only fundraiser, so nothing to sell! Just share with family and friends and donate what you can.

So far \$3910 has been raised, so we're off to an awesome start. If \$5000 is raised, the students will get to watch a video of Mrs. Gilland jumping out of an airplane!
